The pleasure is all yours...

“Mannings Heath is a great venue tucked away in stunning surroundings. I know those who visit, play either of the two great courses and sample all that the club has to offer, will come away as I do... looking forward to my next visit.”

Glorious courses

These are thoughtfully created courses. The designers worked with and manipulated dramatic topography, so when you step up to the first tee every level of golfer can confidently anticipate the individual enjoyment ahead.

Established in 1905 The Waterfall course, the jewel in the crown of Sussex golf is set amongst acres of mature deciduous woodland and streams with patchwork fairways. It presents an immaculate challenge to every calibre of golfer. This course is offered as a truly 'Exclusive' membership facility.

Equally, The Kingfisher, opened in 1996 has stunning panoramic vistas and follows the banks of the 14 acre Hawkins Ponds on several holes. This course is offered as a truly exceptional green fee only facility.

Before you tee off, allow yourself a moment, there is no rush. Absorb the breathtaking surroundings, hours of supreme pleasure lies ahead and you are at the start of it.

Whilst we are mightily proud to have courses that have attracted the likes of Montgomerie, Donald and Howell, you can't hide behind fabulous fairways. Your experience with us starts before you set foot on the greens. From start to finish we add the extra touch to clinch a great memory.

It's not just luck that you are greeted with the warmest of welcomes. An accommodating and knowledgeable team make up Mannings Heath Golf Club, they know you are in for a fabulous time and are equally as excited to be a part of it - it makes a difference.
